This writ petition is filed to issue a writ of mandamus to the respondent to deposit the amount covered by E.P.16/06 in LAR 566/88. Giving directions in individual cases may result in injustice to the various number of claimants who are knocking at the door of the Government for getting the amount due to them under acquisition proceedings. But the Government have to remember that it is a LAR of the year 1988 and the amount ordered is not till paid off. Therefore I direct the Government to take into consideration these aspects and consider the request of the writ petitioner sympathetically.

The writ petition is disposed of accordingly.

M.N. KRISHNAN, JUDGE.
